President's Message

Welcome to Orange County Children's Theatre's spring production of "Alice in Wonderland." These talented actors, actresses, and directors have worked hard and poured countless hours into rehearsing in order to bring this classic tale to life.

Orange County Children's Theatre was founded in 1969 with the mission to provide opportunities and instruction in theater arts to children and families throughout Orange County, but our organization provides so much more. I have seen the results of children who find themselves in unhealthy environments where their bad choices lead them down paths of self destruction. OCCT is a safe, family friendly environment where all of our children can feel free to express themselves while developing important life skills such as leadership, confidence, and respect for others and oneself.

I would like to thank the administrative board for answering my call to serve this wonderful organization. I especially want to recognize the parent volunteers. OCCT could not continue without their hard work and dedication. They are truly the backbone of our organization and a shining example of what volunteerism can achieve.

Grace Lutheran School deserves special recognition from OCCT for the generous use of their facilities and our show sponsors are always deserving of a special thank you!

If your family is interested in OCCT, please speak with any board member or check out our website at www.occt.org for more information. We also welcome your generous donations to assist with these fabulous productions for our young thespians.

Enjoy the show!!

DIRECTORS

Julie Matthews - Vocal Director

Miss Julie wears different theater hats and enjoys them all. Her music director skills began forming at age 5 with piano lessons, which continued into her high school years. During college, she was the accompanist for two professional vocal teachers, which led to her accompanying and vocal directing church choirs and musical reviews. Her vocal experience includes performing lead roles in Wizard of Oz, Seven Brides for Seven Brothers, The Sound of Music and more. Her choreographer history began as a teen when she earned a spot on a competition clogging team, which eventually transitioned to other forms of dance and becoming a member of the top performing group of the US and World Champion BYU Ballroom Team. Miss Julie has choreographed all styles of dance, including a previous production of Cinderella for

OCCT. She states that this theater group has some of the nicest parents and children she has yet to meet. It has been one of the best experiences in her theater career to work with them.

TELEGRAMMER

Hi! I am 7 years old and I am in 1st Grade at Huntington Christian School. This is my first year with OCCT and I am excited to be performing as a Telegrammer and learning from Miss Lauren. I started dancing at 2 ½ years old and have performed on stage locally with various dance schools. I love to sing and dance, and some say "I was born to entertain!"
